### PET POLICY

Thank you for choosing Colorado Cabin Adventures! We are huge dog lovers and happy to accommodate your four-legged friend. However, in order to provide our guests with clean cabins and a relaxing stay, we ask that you please follow the basic ground rules outlined below. This Pet Policy form must be signed by guests at Check In.

1. A \$25 nightly fee is charged for all dogs.
2. Limit of 2 dogs per cabin.
3. Dogs must be potty-trained and must be current with shots and flea control.
4. Dogs with any history of biting or aggressive behavior may not stay at CCA. Guests are fully responsible for their dog while staying at CCA. This includes any injuries the dog may obtain or inflict upon others.
5. Pets are NOT ALLOWED ON FURNITURE. NO EXCEPTIONS. Breaking this rule will result in a \$50 fine.
6. We ask that dogs not be left unattended in cabins, unless kept in a crate. Crates may be rented from the Office for a \$10 charge; however, availability is limited and not guaranteed. If a crate is not available, guest is responsible for providing one.
7. White CCA cabin towels are NOT for pet use! Please ask Management for a pet-friendly towel if needed. If your dog has enjoyed swimming in river or lake or is otherwise muddy, please hose down and towel dry before letting him/her inside.
8. Please be considerate of fellow guests especially relative to barking and "making friends." CCA must reserve the right to ask pets to leave the property if engaging in disruptive or dangerous behavior.
9. Guests will be charged for additional cleaning (beyond typical cleaning), if necessary, as follows:
  - a. Excessive hair on floor: \$25
  - b. Pet odor: \$25
  - c. Indoor messes: \$25
10. Guests will be charged for replacement cost of damaged goods as follows:
  - a. Denali Throw: \$200
  - b. Comforter: \$50
  - c. Sheets: \$35
  - d. Towels: \$8 - \$18
11. Pets other than dogs are subject to CCA approval prior to Check In.

Guests are welcome to walk through the cabin prior to Check Out with Resident Manager to determine whether additional fees will be charged. Please understand our Pet Policy allows us to remain pet-friendly, while providing safety for our guests and rooms that are always clean and attractive. Thank you for your cooperation. We hope you and your four-legged friend have a wonderful stay at CCA!
